The Board of Commissioners met in a public and duly advertised Agenda Work Session on March 2, 2021 at 5:00 p.m. The date, time and location of the meeting were advertised in the Chattanooga Times Free Press and on the City of Red Bank website together with instructions and an internet link to enable virtual attendance by the public. The purpose of the meeting was to receive information on upcoming business items. Those in attendance were Mayor Hollie Berry, Vice Mayor Stefanie Dalton, Commissioner Ruth Jenó and Commissioner Ed LeCompte. Commissioner Pete Phillips was absent. Also present were City Manager Tim Thornbury, City Attorney Arnold Stulce, Jr., City Recorder Tracey Perry and those listed on Exhibit A.

1. City Manager Thornbury explained the selection process and powers of the Board of Floodplain Review. He explained that the formation of this Board does not pertain to any current projects, and that he made his selections based on his knowledge that other cities also appoint members of their Planning Commission to their Board of Floodplain Review.
2. City Manager Thornbury explained the License Agreement between the City of Red Bank and Red Bank Youth Association. The agreement with Dixie Youth was cancelled last year, and Red Bank Youth Association has agreed to take over the baseball fields.
3. City Manager Thornbury explained that the Red Bank / Soddy Fund makes annual donations to the City. This year's donation is estimated at \$22,000.00. The Commission can make a list of their top 3 choices of projects to use the money on and present that list to the Fund for final choice. Choices included:
 - a. Install camera/video system inside the Community Center
 - b. Updating the playground equipment and pavilion at the Community Center
 - c. Funding for the Northern Greenway trail system
 - d. Art displays featuring local artists
 - e. Create a centralized and/or community garden
 - f. Install Wi-Fi at the Community Center
